For: Change of use of Former Public House (Red Lion) and associated residential accommodation to 3 dwellings
At: 18 Church End, Newton Longville
Members of public present at the meeting thanked the applicants for listening to the issues raised and making changes to the design to address issues. Whilst the issue of lack of parking remains this is seen as a wider issue that could not be resolved by this application and that were the building to be used as a public house the problem of lack of parking would be much more severe.
One neighbour raised the issue of lack of obscured glass to an upper window shown in elevation 3. Applicant to be asked to consider addressing this issue.
Resolved parish council are in favour of the application as amended, on the basis that the upper window is changed to obscured glass.
