### Planning

**114/19 Planning application 19/04367/AOP to consider response:**  
For: Outline planning application for 57 residential dwellings  
At: Land at Whaddon Road, Newton Longville  
(Hammond Farm site)  
No advance notice of the application had been given to the parish council despite the previous contact with the agents.  
Public commented on application and how it was outside of existing village envelope and failed to respect the identity of the village. It was also commented that time of submission of the application shortly before Christmas was a somewhat cynical manipulation of the planning system.  
Parish council considered the application and resolved to object and delegate to clerk to make appropriate submission taking account of previous objection and any public comments submitted to AVDC.  
Details of the application to be circulated around village encouraging residents to comment on the application. Clerk to a leaflet for distribution by email.

There being no further business the Chair closed the meeting at 19:46
