To consider revisions to current rules and charges
 Agreed to continue principle to support allotments rather than seek to fully cover costs through rents. Rents to be increased by £5 for half plot and £10 for a full plot. This would give rents of £30 (£20 if 60 or over) for a half plot and £50 (£34 if 60 or over) for a full plot. This has the effect of starting to reduce the level of discount. Allotment Association committee has requested that the £5 fee for membership be included within allotment rent by default but giving option to opt-out. Allotment holders to be given opportunity to comment on proposals before final decision is made at subsequent meeting.
