**160/22 Buckinghamshire Councillors update**

Buckinghamshire Cllr Iain Macpherson could not attend

Cllr Whipp pointed out that in a recent communication from Buckinghamshire Council they now eventually are acknowledging that six parishes around the edge of Milton Keynes are dealt with by what is now the Bedfordshire Luton and Milton Keynes Integrated Care Board (previously MK CCG), rather than Buckinghamshire Healthcare Trust.

**161/22 Public Involvement**

Question asked about extra Government funding being made available to Buckinghamshire Council (and other principal authorities) for Household Support Fund and that many are using the funding to support warm spaces. Answered that it appears that additional funding has been awarded by the Government to principal authorities but that how this is spent it up to individual principal authorities, whilst MK Council is passing some of this funding to parishes, so far Buckinghamshire Council have not offered anything similar.

Question asked about intention of funding the production of more detailed plans to extend Longueville Hall. Answered that the funding available is limited to spending on play provision, recreation and and sport, and that by having plans drawn up it will then be possible to apply for external funding when the opportunity arises. The estimated costs of drawing up plans in £2,000 to £4,000.

Question asked about progress on Gas Depot. It was answered that the current situation is that the application has been approved by Buckinghamshire Council but that at this point there is no indication of the application actually being implemented.

## Planning and Highways

- 162/22**      **Planning application: 21/04794/AOP**  
For: Outline application for construction of 2 new dwellings, ancillary building and new vehicular access following demolition of the existing conservatory at 1a Church End.  
At: 1A Church End, Newton Longville, MK17 0AG  
Update and consider further representation.  
Still awaiting an update from the case officer. There is no indication that heritage have been asked to consider the most recent proposed changes to the application based on highways requested changes.  
Ongoing delegation to clerk in consultation with chair and vice-chair to make further representations as necessary.
- 163/22**      **Planning application: 22/02814/APP**  
22/03770/AOP (Buckinghamshire Council)  
22/02682/OUT (MK City Council)  
For: Outline application (matters of access to be considered, with matters of layout, scale, appearance and landscaping reserved) for the erection of up to 34no. dwellings following the demolition of the existing Dagnall House and associated outbuildings (cross-boundary application)  
At: Dagnall House, Buckingham Road, Bletchley, MK3 5LA  
(Note: Site is located within Newton Longville parish with access to West Bletchley/Milton Keynes.)  
Noted that the site is not allocated in VALP and is therefore not supported in VALP, but is being said to be a windfall site. At this point, Salden Chase has not been approved, the site would be an isolated development without links to Salden Chase or West Bletchley. It currently proposes an onsite play area. The current application seeks approval for access only and the layout plan is only indicative. No case officer has been appointed as yet and no site notices displayed.  
Resolved that at this stage NLPC does not object to the principle of the proposed development, but neighbour and consultee comments will be monitored and further consideration given to the application as necessary.
